

Join the Bike Ride For

FIREFIGHTER CANCER SUPPORT NETWORK

Sun. July 12th

8:30 AM Meet at OFD Station 24

Join Los Angeles County Firefighters and cancer survivors for the first leg of a bike ride from Oakland to L.A. to bring support and awareness to the Firefighter Cancer Support Network. The FCSN is a Los Angeles based non-profit organization whose mission is to provide timely assistance and support to all fire service members and their families in the event of a cancer diagnosis.

Riders will meet at Station 24 (5900 Shepherd Canyon Road) at 8:30 AM for a pre-ride meal. Ride departs at 9:00 AM for OFD Station 2. The San Francisco Fire Boat will be waiting to ferry the bikers across the Bay to AT&T Park. Riders will work their way through the Embarcadero, along Presidio Drive, over to Hwy 1, and down to Half Moon Bay. A BBQ lunch will be waiting for you and your new friends. Transportation with your bike back to Station 24 will be provided. Participation is free. Come ride and support Firefighter Cancer Survivors.
